## General Uniform

- Students are to be dressed correctly in the Mount Scopus uniform while in school, on school excursions (except if Sport uniform is being worn), and whenever they represent Mount Scopus Memorial College and while identifiable as Mount Scopus students travelling to and from school.
- The College blazer is a compulsory item for all assemblies, excursions and special occasions during both summer and winter. It is the only garment that students should wear over the academic uniform for warmth.
- Depending on the time of year, students must wear either complete summer or complete winter uniforms. Boys must wear a kippah in all Hebrew and Jewish Studies classes, during prayer, at assemblies, in the Synagogue and when requested by a teacher.
- Uniforms and shoes must at all times be clean, in good condition, and worn in a neat and tidy manner. Clothing must be free from holes and tears, obviously worn areas, and patching.
- When the blazer is not being worn with summer uniform, summer shirts may be worn ‘untucked’ except in formal situations (including assemblies), on excursions, and in class if the teacher requests.

- In addition to the basic uniform, the following may be worn by students:
  - Jewellery: wristwatches, pendants displaying a Jewish symbol worn unobtrusively, a single plain sleeper or stud in each ear. Ornaments piercing other parts of the body must be removed.
  - Extra clothing under the blue school shirt, sports top or tunic, **only if it is white in colour.**
- Boys' and girls' hair should be worn with safety, cleanliness and general community standards of good taste in mind; long hair should be secured with a school coloured hair band. Hair styles and colour must not draw undue negative attention.
- Make-up is not allowed
- Boys must be clean-shaven
